The Right Hon Lord Mayor Graham Quirk
Lord Mayor of Brisbane
Level 4, 157 Ann St
BRISBANE QLD 4000

Dear Lord Mayor

I am writing to congratulate you on your re-election as Lord Mayor and to advise you that I have been re-elected as the Councillor for Tennyson Ward.

Residents of Tennyson Ward have spoken clearly about their desire to have strong local representation and I look forward to working with you in the best interest of all residents.

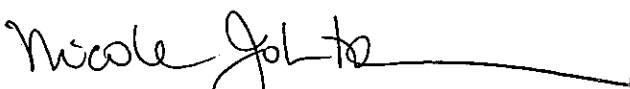

I have two major objectives for the community. Firstly, to deliver on the election commitments I made during the campaign over the next four years. All of my election commitments were included in the Tennyson Ward budget submission submitted several weeks ago. Should you require clarification of any of these matters, please contact me.

Secondly, to continue rebuilding and strengthening flooded suburbs, including homes and businesses. I note that Council is due to release its technical report on backflow valves within a matter of weeks. This is a critical issue in the Ward and I look forward to working with Council officers to ensure they are located in the most useful locations within the Ward. There are of course numerous Flood Royal Commission recommendations that affect Council and I am keen to progress these where they benefit Tennyson Ward residents.

I am prepared to put aside the difficulties of the past two years, and in particular the past week, to ensure that a cooperative working relationship is established with all Councillors in the best interest of Tennyson Ward residents. This will require mutual cooperation.

I look forward with much enthusiasm to the next four years and delivering improved services and facilities not only for Tennyson Ward residents but all Brisbane residents.

Yours sincerely

Nicole Johnston
Councillor for Tennyson
