Brisbane City Council Disclaimer

This Schedule of works model is provided for the sole purpose of public consultation as required under the Sustainable Planning Act 2009, to assist in demonstrating the financial sustainability of the LGIP in a consistent and transparent manner. This model must not be copied, altered, manipulated, distributed, commercially exploited, or otherwise used for any other purpose than stated above and strictly in accordance with the legislation. Council accepts no responsibility for the use of this model by third parties nor for the use of this model for purposes other than that for which the model was constructed.

No representation, warranty or undertaking (expressed or implied) is made in relation to the model. No responsibility is taken or accepted by Council for the adequacy, completeness, mathematical accuracy or consistency of the model, the assumptions on which it is based, or the appropriateness of any outputs of the model, and all liability therefore is expressly excluded. Anyone using the model does so at their own risk and no responsibility is accepted for any losses which might result from such use directly or indirectly.

PricewaterhouseCoopers Australia Disclaimer

This financial model has been developed by PricewaterhouseCoopers Australia (PwC) in accordance with the terms of its engagement agreement with Brisbane City Council (Council) and our proposal letter dated 1 July 2009. The model and the assumptions upon which it relies have not been audited by PwC. Users should make their own assessment of the accuracy, reliability, and reasonableness of the model structure, assumptions and outputs. Model assumptions and forecasts have been compiled from a variety of sources, including Brisbane City Council and its other advisors. PwC has not independently reviewed or verified these assumptions and forecasts.

This model has been provided to Council as a deliverable under PwC's engagement agreement and our responsibilities are to Council only. Liability is limited by a scheme approved under Professional Standards Legislation. PwC accepts no responsibility or liability for use of the model for purposes other than specified in our engagement agreement. PwC has no control over the use of the model by parties other than itself and accepts no responsibility or liability for use of the model by parties other than PwC.
