Roads need work

■ From page 1

larly for short to medium hauls.

"The more we can get to do that, the fewer trucks there will be on the road," Cr Quirk said.

Brisbane Markets chief executive officer Andrew Young said rail was inefficient and not usually viable, particu-

Mr Young said he welcomed any improvements to the city's road networks but said the focus of the study seemed narrow.

He said he would prefer governments to focus more on upgrading arterial roads.
