

## Tennyson Ward Budget Submission 2023-24

Program	Project Name	Reference	Description	Suburb	Ward	2022-23 Est \$'000	Description of Works	Other
Transport for Brisbane	Providing Active Transport Infrastructure	1.1.3.1	Cordalba St Graceville	Graceville	Tennyson	100,000	missing footpath leading to Graceville SS	
Transport for Brisbane	Providing Active Transport Infrastructure	1.1.3.1	Corinda State High School indented drop off zone	Corinda	Tennyson	150,000	indented school drop off zone to improve safety and reduce congestion around Corinda SHS	
Transport for Brisbane	Provide Ferry Services	1.2.1.2	City Cat upriver to Graceville	Various	Tennyson	250,000	planning to deliver extended City Cat services to Fairfield, Yeronga, Tennyson and Graceville	
Transport for Brisbane	Support Bus and Metro Services	1.2.2.2	Additional bus services	various	Tennyson	100,000	extend the 196 Buz route to Yeronga	
Infrastructure for Brisbane	Plan and Design the Network	2.1.1.1	Widen not raise Sherwood/Corinda low Rail bridge	Sherwood	Tennyson	250,000	Road work planning and road/footpath delivery to support State Government project to widen not raise the low rail bridge between Sherwood and Corinda to four lanes to improve travel times and reduce congestion on Oxley Rd	
Infrastructure for Brisbane	Improve Local Transport Networks	2.1.2.2	King Arthur Tce Shared Zone	Tennyson	Tennyson	100,000	creation of a shared zone between the Tennis Centre and Apartments/Park on King Arthur Tce to improve safety	
Infrastructure for Brisbane	Traffic Reduction Initiatives	2.1.2.3	Kadumba St / Kingsley St	Yeronga	Tennyson	100,000	intersection improvement	
Infrastructure for Brisbane	Traffic Reduction Initiatives	2.1.2.3	Sherwood Rd/Egmont St/Jerrold St	Sherwood	Tennyson	250,000	new traffic lights - green walk signal	
Infrastructure for Brisbane	Traffic Reduction Initiatives	2.1.2.3	Mildmay St zebra crossing	Fairfield	Tennyson	50,000	zebra crossing at new station entrance	
Infrastructure for Brisbane	Traffic Reduction Initiatives	2.1.2.3	Appel St zebra crossing	Graceville	Tennyson	50,000	traffic management including zebra crossing Appel St at Verney Rd, Graceville outside the rail station	
Infrastructure for Brisbane	Improve Local Transport Networks	2.1.2.2	LATM - Egmont St	Sherwood	Tennyson	200,000	traffic calming including Hall and McCulla Sts	
Infrastructure for Brisbane	Traffic Reduction Initiatives	2.1.2.3	Venner Rd/Lagonda St intersection upgrade	Annerley	Tennyson	150,000	safety upgrade following death of resident - traffic lights, green crossing signal, turning bans, speed reduction	
Infrastructure for Brisbane	Traffic Reduction Initiatives	2.1.2.3	School Rd/Ipswich Rd intersection upgrade	Yeronga	Tennyson	250,000	congestion busting measure to add a turning lane in advance of a major construction project on Ipswich RD opp the intersection	
Infrastructure for Brisbane	Maintain and Improve the Network	2.1.3.1	Annerley Rd/Noble St green walk signal upgrade	Annerley	Tennyson	100,000	safe crossing point leading to busy Dutton Park Station	
Infrastructure for Brisbane	Maintain and Improve the Network	2.1.3.1	culvert and flood immunity for Pratten St Corinda	Corinda	Tennyson	150,000	culvert upgrade and flood immunity for flood prone Pratten St btw Deniven and Cliveden Ave	
Infrastructure for Brisbane	Build the Transport Network	2.1.2.1	Ipswich Rd/Venner Rd Intersection Upgrade	Annerley	Tennyson	5,000,000	upgrade of Ipswich Rd and Venner road intersection including dedicated turning lanes and signalised access	
Infrastructure for Brisbane	Build the Transport Network	2.1.2.1	Graceville Fiveways Intersection upgrade	Graceville	Tennyson	5,000,000	intersection upgrade to Cnr Oxley Rd and Long St including turning lanes	
Infrastructure for Brisbane	Build the Transport Network	2.1.2.1	Cliveden Ave Oxley Rd Corinda intersection upgrade	Corinda	Tennyson	2,000,000	intersection upgrade including turning lanes	
Infrastructure for Brisbane	Better Roads for Brisbane	2.1.2.5	Cook St Oxley Rd, Oxley intersection upgrade	Oxley	Tennyson	500,000	Traffic lights/intersection upgrade	
Infrastructure for Brisbane	Manage the Network	2.1.4.1	Oxley Rd/Englefield Rd/Oxley Station Rd, Oxley plan a	Oxley	Tennyson	150,000	Undertake feasibility study to upgrade busy Oxley intersection	
Infrastructure for Brisbane	Traffic Reduction Initiatives	2.1.2.3	Fairfield Rd pedestrian upgrades	Fairfield	Tennyson	250,000	Install green walk light Victoria St/Fairfield Rd and 2x pedestrian refuge on Fairfield Rd	
Infrastructure for Brisbane	Partnering for Safer Schools	2.1.2.4	Park Rd Pedestrian Refuges	Graceville	Tennyson	120,000	2 x pedestrian refuges to facilitate safe crossing for Graceville State School students and better community access to Faulkner Park	
Infrastructure for Brisbane	Partnering for Safer Schools	2.1.2.4	Corinda SHS Gray/Lynne Grove	Corinda	Tennyson	100,000	school safety improvements for pedestrians	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing replace K&C Feez St	Yeronga	Tennyson	80,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing replace K&C Orontes Rd	Yeronga	Tennyson	80,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing replace K&C Sydney St	Fairfield	Tennyson	80,000	resurfacing of degraded and now flood affected street	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing replace K&C Turner Ave	Fairfield	Tennyson	50,000	resurfacing of degraded and now flood affected street	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing replace K&C Luxford St	Chelmer	Tennyson	50,000	resurfacing of degraded and now flood affected street	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing replace K&C Hall St (east of Blackwo	Sherwood	Tennyson	20,000	resurfacing of degraded and now flood affected street	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing replace K&C Ashby St	Fairfield	Tennyson	150,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing replace K&C Manson Pde	Yeronga	Tennyson	80,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing replace K&C Tamar St	Annerley	Tennyson	50,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing replace K&C Fraser St	Graceville	Tennyson	50,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing replace K&C Augustus St	Sherwood/Corin	Tennyson	50,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing reapple K&C Young St	Annerley	Tennyson	150,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing replace K&C Clive St	Annerley	Tennyson	100,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing replace K&C Jolimont St	Sherwood	Tennyson	80,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing replace K&C Glenwood St	Chelmer	Tennyson	80,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing and replace Fairfield Rd	Fairfield	Tennyson	450,000	all the bits that should have been done properly the first time and were in 2019-2020	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing Oxley Rd Graceville	Graceville	Tennyson	450,000	resurfacing of degraded main road	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing Oxley Rd Oxley (between Oxley Statio	Oxley	Tennyson	450,000	resurfacing of degrad main road - glued together	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing Rathlyn Ave	Corinda	Tennyson	80,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing Lagonda St	Annerley	Tennyson	80,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing Thalia Cct	Corinda	Tennyson	50,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing Stevens St	Yeronga	Tennyson	80,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing Palmerston St	Annerley	Tennyson	100,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and Improve the network	2.1.3.1	road resurfacing Ellen St	Oxley	Tennyson	80,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and improve the network	2.1.3.1	road resurfacing Christensen St	Yeronga	Tennyson	80,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and improve the network	2.1.3.1	road resurfacing Long St E	Graceville	Tennyson	150,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and improve the networks	2.1.3.1	road resurfacing Oxley Tce	Oxley	Tennyson	100,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and improve the networks	2.1.3.1	road resurfacing Park Lane	Yeerongpilly	Tennyson	100,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and improve the networks	2.1.3.1	road resurfacing Fairfield St	Annerley	Tennyson	100,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and improve the network	2.1.3.1	road resurfacing Patrick St	Yeronga	Tennyson	80,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and improve the network	2.1.3.1	road resurfacing Warwick St	Annerley	Tennyson	80,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and improve the network	2.1.3.1	road resurfacing King Arthur Tce between Bridge and D	Tennyson	Tennyson	100,000	resurfacing of degraded street	
Infrastructure for Brisbane	Maintain and improve the network	2.1.3.1	road resurfacing Hastng St between Dudley and Fann	Annerley	Tennyson	80,000	resurfacing of degraded street	
Clean, Green and Sustainable City	Restoration for Recreation	3.2.3.1	parkland landfill remediation - Gordon Thomson Park	Chelmer	Tennyson	3,600,000	design, budgeted and scoped already but not funded - stage 2	
Clean, Green and Sustainable City	Conservation Reserves Management	3.3.1.1	Bushland acquisition Yeronga	Yeronga	Tennyson	2,000,000	purchase of 148 Hyde Rd Yeronga for community sport and recreation uses	
Clean, Green and Sustainable City	Conservation Reserves Management	3.3.1.1	Bushland acquisition Chelmer	Chelmer	Tennyson	2,000,000	purchase of former Anglicare nursing home site on Rosebery Tce Chelmer to create a new riverfront parkland	
Clean, Green and Sustainable City	Conservation Reserves Management	3.3.1.1	Bushland Acquisition Oxley	Oxley	Tennyson	1,000,000	acquire multiple adjoining blocks along Cliveden Ave Oxley between Blackheath Rd and Fort Rd	
Clean Green and Sustainable City	Conservation Reserves Management	3.3.1.1	Wipe out weeds funding	Fairfield	Tennyson	50,000	Fanny Street Park is massively overgrown and needs rehabilitation	
Clean Green and Sustainable City	Conservation Reserves Management	3.3.1.1	Wipe out weeds funding	Annerley	Tennyson	50,000	Norman St Reserve running between Lagonda Street and Norman St Annerley	
Clean Green and Sustainable City	Conservation Reserves Management	3.3.1.1	Upgrade path to reduce erosion and improve accessib	Corinda	Tennyson	65,000	Upgrade path in Fort Rd bushland reserve walking tracks to improve access and safety	
Clean Green and Sustainable City	Urban Forest Management	3.3.2.1	Heritage tree project	Graceville	Tennyson	50,000	replace lost heritage trees in Graceville Memorial Park for centenary celebrations in 2020	
Clean Green and Sustainable City	Metropolitan and District Parks	3.3.3.1	Nixon Park Oxley	Oxley	Tennyson	250,000	replace very old children's playground in District Park	
Clean Green and Sustainable City	Upgrade Neighbourhood Parks	3.3.3.1	Playground replacement - Fairfield Park	Fairfield	Tennyson	150,000	replace Children's playground	
Clean Green and Sustainable City	Maintaining Suburban Parks	3.3.3.2	Replace BBQ and picnic bench Rowlinson Park Yerong	Yeronga	Tennyson	75,000	BBQ removed but not replaced	
Clean Green and Sustainable City	Enhanced Safety Lighting	3.3.3.2	Lighting	Fairfield	Tennyson	200,000	lighting in Leyshon Park Fairfield and Yeronga	
Clean, Green and Sustainable	Upgrading Facilities in Parks	3.3.3.2	Carpark resurfacing and extension Dunlop Park	Corinda	Tennyson	250,000	extension and resurfacing	
Clean Green and Sustainable City	Upgrading Facilities in Parks	3.3.3.2	Carpark resurfacing and lighting	Yeronga	Tennyson	250,000	complete resurfacing of Yeronga Memorial Park Carpark areas plus lighting (inc Pool and Croquet club and cenotaph)	
Clean Green and Sustainable City	Improving Park Amenities	3.3.3.2	Toilet Upgrade	Graceville	Tennyson	200,000	toilet upgrade and CPTED safety upgrade Graceville Memorial Oval	
Clean Green and Sustainable City	Improving Park Amenities	3.3.3.2	Toilet Upgrade	Yeronga	Tennyson	200,000	toilet upgrade John Walker Place Brisbane Corso	
Clean, Green and Sustainable City	DOLA Refurbishment	3.3.3.2	Hyde Rd Yeronga DOLA returfing	Yeronga	Tennyson	60,000	replacement of degraded sections of turf with artificial turf	
Clean Green and Sustainable City	Metropolitan and District Parks	3.3.3.1	New toilets	Fairfield	Tennyson	200,000	new toilets Robinson Park, Fairfield	
Clean Green and Sustainable City	Metropolitan and District Parks	3.3.3.1	Yeronga Memorial Park playground upgrade Villa ST	Yeronga	Tennyson	250,000	playground replacment for a heritage listed distict park at yeronga	
Clean Green and Sustainable City	Improving Park Amenities	3.3.3.2	Fanny St Park, Annerley paint and fix/replace boundar	Annerley	Tennyson	50,000	Fanny St Park, Annerley paint and fix/replace boundary fence	
Clean Green and Sustainable City	Wharves Jetties and Pontoons	3.4.2.1	Chelmer Pontoon	Chelmer	Tennyson	250,000	replace pontoon in Walter Taylor Bridge destroyed in the 2011 floods	
Clean Green and Sustainable City	Drainage Construction and Resilienc	3.4.3.1	Oxley Rd	Chelmer	Tennyson	250,000	upgrade to drainage capacity near the intersection of Chelmer St East and Oxley Road	
Clean Green and Sustainable City	Drainage Construction and Resilienc	3.4.3.1	Backflow valves	various	Tennyson	2,500,000	Funding for all recommended backflow valves including in Victoria Avenue, Chelmer; Giraween Park, Graceville; King Arthur Tce, Tennyson; Ormadale Rd, Ormonde Rd, Orlive St, Stevens St, Yeronga; and Brougham St, Mearns Rd, Victoria St, Sharp St, Fairfield.
